Saturday 23rd August 2025

Put a date in your diaries!

Stocksfield Festival is gearing up to take place again this year on Saturday 23rd August.

And what a line up we've got!

The festival will be open from **11- 4pm** and there'll be **live music** all day from some of our best local performers as well as a bar selling an exciting range of ales, cider and gin. You'll be able to find hand-made gifts and treats, **pet small friendly animals**, try your hand at drum-

ming with the **Viking Bikers** and be amazed at our fabulous **birds of prey display**. As always kids will be kept entertained with arts and crafts activities; a **bouncy castle** and a chance to have a go at archery courtesy of the **Tynedale Archers**.

What's it all about?

The aim of the festival is to bring the community together and celebrate all that's special about Stocksfield and its surrounding areas. Already lots of local organisations have signed up, including **Stocksfield Football Club** and **Stocksfield Tennis Club**, **Stocksfield Community Centre** (who will be selling tea and cake) and **Tuesday Club** as well as the **Friends of Broomley Community Woodland**.

We are a non- profit organisation; all of our organisers are volunteers and every penny we take on the day goes towards the next festival. One of our marquees is funded by Stocksfield Parish Council and we've just agreed sponsorship from Fusion Fibre for our very popular **climbing wall and bungee trampoline**. Most of our activities are included in the admission cost – making it an affordable and family friendly day out. We've got an exciting range of street food vendors ready to tempt you, but feel free to bring your own picnic and blanket or chairs to sit on. Of course, we'll be hoping for a sunny day but we've got under-cover options and limited indoor seating just in case.

Thanks as always to Stocksfield Cricket Club for their help in arranging the day and who are also organising their own beer festival the night before - so be sure to check that one out too!

Remember the festival can only happen with volunteers! So, if you're able to help out for an hour or so (setting up, stewarding on the day or clearing up afterwards) please email Stocksfieldfestival@gmail.com or get in touch via Stocksfield Festival facebook page.

So, put a date in your diaries, come along, take part and have a great day out!

Stocksfield Community Association Annual Report 2024/25

Mountview Terrace, Stocksfield, NE43 7HL Charity Reg No. 1139996

Stocksfield Community Association (SCA) is a Charitable Incorporated Organisation. We are a membership organisation managed by a board of trustees, all of whom must be members of the association. SCA owns and manages Stocksfield Community Centre.

Our financial year runs from 1st April until 31st March. A review of our finances has shown that SCA needs to increase its income and / or reduce expenditure. The trustees have worked towards this goal throughout the year. There are no outstanding debts, and the conditions of the Financial Policy have been met, including the financial reserve. The Treasurer's annual report will be given at the AGM on the 8th July, and I urge all members of the Association to attend this meeting.

SCA is affiliated to Community Action Northumberland and is a founder member of the West Northumberland Community Buildings Consortium. We produce Stocksfield Community Association News (SCAN) to keep members informed about activities at the Community Centre and elsewhere in the parish. Groups using our facilities this year included Stocksfield Tuesday Club, a warm space for elderly residents to socialise and enjoy a hot meal, Stocksfield Players and Junior Players, a drama group who put on plays at the Community Centre, a computer club, a bridge club, yoga and exercise classes and two badminton groups. The main hall is often hired by local residents for children's parties. SCA organised the Annual Quiz in May, Pre-loved Sales in May and November and a Christmas Card Sale in October. Drama and live music events took place during the year. The Richardson Room served as a Polling Station twice in 2024. The building is well maintained, and I would like to thank Peter and Betty for keeping it clean and in good condition for regular users and visitors alike.

Three groups stopped meeting at the community centre during the year. Two of these unfortunately folded after many years due to the lack of individuals willing to take on the roles of Chairperson and Treasurer of their groups. Sadly this is a sign of the times. The third group decided to move to a new venue. We were sad to see all of them go, and are actively encouraging new groups to use the community centre.

This year has been a challenging one for SCA. Energy costs continue to take up a large proportion of our expenditure, particularly over the colder months of the year when most of our user groups meet. A lot of time has been spent researching alternative heating systems – the main hall is particularly difficult and expensive to heat adequately – and securing grant funding. In December Northern Powergrid installed a 3-phase electricity supply to the building, with corresponding upgrades to the infrastructure. The majority of the work was funded by a grant from Northern Powergrid Foundation, with the remainder coming from our reserves. A grant from Northumberland County Council's Communities chest, awarded in November, will cover the major part of the costs of installing infra-red heating in the main hall, and in February Stocksfield Parish Council awarded us a grant of £500 towards these costs.

I would like to thank all of these organisations for supporting us.

The community centre has had two managers during this period. In November Terri Anne informed us of her decision to leave. We were sorry to lose her and were without a manager for several weeks. This put a strain on the trustees, who had to pick up the manager's tasks at the same time as recruiting a replacement. I would like to thank all the trustees and volunteers who rallied round to make sure that activities happened, bookings were taken and all the other background tasks were dealt with. Particular thanks go to Paul Clay, who had recently joined the board. Paul took on the production of SCAN magazine at short notice, and is doing a marvellous job. Salaries make up a significant portion of the charity's expenditure, and the work being carried out by the trustees – who do not, of course, receive any payment - has enabled us to recruit a manager to work for fewer hours. Our new manager, Lisa Lewins, started work during February. I would like to express my thanks to Lisa for slipping so easily into her new role whilst fitting it around her other commitments. She welcomes visitors, runs the office efficiently and is a pleasure to work with.

Another challenge this year has been the continued non-payment of the Feed In Tariff by Scottish Power. We have received a lot of help from members of Community Action Northumberland (CAN), who worked with Terri Anne in 2024 and appeared to have reached a resolution. We were promised that the payments would arrive in August. Incomprehensibly, we are still waiting. CAN are helping us again, and the saga continues. The team at CAN has a lot of knowledge these problems - unfortunately we are not alone in experiencing difficulty in receiving overdue FIT payments.

I would like to thank our treasurer, Paul Westbury, for his work this year. Our long-serving treasurer had retired at the AGM in July 2023, and for the rest of that financial year we had no permanent treasurer. As a result, the 2023/24 accounts were somewhat chaotic. Paul took over in April 2024, and spent a long time sifting through the financial records and producing a spreadsheet that is now the template for future accounting years. The 2023/24 accounts were finally signed off by the Independent Examiner and the Board of Trustees in September and approved by the members at an EGM in early October.

Trustees are elected by members of the Association at Annual General Meetings, at which all members are eligible both to vote and to stand for election. The trustees oversee building maintenance, finance and new projects, and hold monthly meetings at which the charity's activities and objectives are discussed and policy is decided. Day-to-day running of the charity is carried out by the Community Centre Manager Lisa Lewins. There are currently eight trustees: Barbara Braysher, Paul Westbury, Jo Harrison, Norman Hooks, Karen Kirkland, Christine Hooks, Peter Scott and Paul Clay. One has been a trustee for less than a year, another for less than three years; the rest of us have been on the board for many years, possibly more than we care to remember! New trustees are recruited to bring a variety of skills to the board, and training is accessible through Community Action Northumberland, the organisation that supports village halls and community associations in the county.

We lost three trustees during this year. One resigned due to ill health and another moved out of the area.

I'd like to thank both of them for the work they put in during the years they spent with us.

It is with great sadness that I record the death in January 2025 of Jean Robinson, our longest-serving trustee. Jean's involvement with Stocksfield Community Centre goes back well into the 20th century when she and her husband Bill were on the committee of Stocksfield Institute Community Association, SICA, as it was until conversion to a Charitable Company in 2011. Jean organised social events such as New Year Dances at the Community Centre. She was our membership secretary for many years, responsible for claiming gift aid from HMRC. Jean compiled the much-loved Winter Quiz up to and including Christmas 2024. We plan to continue to produce a quiz every year for the Christmas period.

Hire charges have had to be increased; this caused problems for some of our hirers, who have had to increase their own charges. Members and regular non-commercial groups receive discounted hire rates; membership charges are very low and have not been increased. There are currently 203 members of SCA; however a lot of the people who use the Community Centre are not members. We would like to encourage more people, particularly residents of Stocksfield, to join Stocksfield Community Association.

June Board Meeting

The upcoming renewal of our Hallmark certificates was discussed. Hallmark is the quality assurance scheme run by Action with Communities in Rural England (ACRE), which we have participated in since 2016. Renewing the certificates is an opportunity to make sure that the facilities and management of Stocksfield Community Centre remain at a high standard.

The ongoing project to update our heating systems, use of energy and efficient use of the solar panels and storage batteries was reported on. A grant has been applied for to upgrade the AC chargers on the batteries with ones that will work efficiently with our 3-phase electricity supply.

Minor repairs to the building are being made during the good weather, including the ongoing rubbing down and repainting of the railing at the front of the building. A section of skirting board in the front entrance will be replaced.

The manager reported on membership and room hire. She is working on increasing awareness of the facilities offered by the community centre and thereby generating new bookings. A new art group held four sessions in the Richardson Room during May and June, and there will be more sessions starting in September. August is usually a quiet month, and this year we are offering half price hire of the main hall for children's events held in August.
