## **Membership Reminder**

Membership subscriptions were due in January.

The trustees would like to thank members who have already paid for their continuing support.

As well as showing support for the community, the money raised contributes towards the running costs of the centre, with an extra 25% from HMRC when gift aided.

This year we are once again asking members who wish to support their community centre in the long term to set up an annual standing order.

Membership fees are the same as in 2025, and payments can also be made by bank transfer, cash or card.

**The membership/gift aid form is in the centre of this magazine.** If you are making a bank payment and are already a member there is no need to fill in a membership form unless your contact details have changed or you need to change a gift aid declaration.

**If you decide to make a bank payment, either by standing order or as a single payment, please use your initial and surname as reference.**

## March Board Meeting

Stocksfield Community Association was reassessed for Hallmark 3 on 10<sup>th</sup> March. Hallmark is the quality assurance standard for village halls across the country. Two of the trustees met with Marc Johnson, Community Development Officer from Community Action Northumberland, and a volunteer from another village hall, for the assessment. Hallmark 3 deals with community/social awareness, forward planning and development. The assessment

includes discussion, and it is beneficial to find out how other village halls are dealing with the issues. We have once again surpassed the requirements, and the new certificate will soon be displayed on the noticeboard next to the office. We were re-awarded Hallmarks 1 and 2 in August 2025.

Repairs to the two Community Centre chimneys are needed. One of the trustees discussed this with our neighbour, whose chimney also needs work. We have arranged for a roofer to re-point all three chimneys, thus saving money for both parties. This work is likely to be done in April, weather permitting.

Plans to clean and re-surface the hall floor were discussed. It is hoped that this can be done in July or August when we have fewer bookings, as the process including drying time for the varnish will take several days. We also plan to redecorate Room 1 (upstairs) and in due course, the Richardson Room. This will be carried out by trustees and volunteers – please contact the manager if you might be able to help.

One of the trustees along with the manager carried out the annual risk assessment and fire risk assessment in March. No major issues were identified.

The Treasurer reported good financial receipts in February. The majority of our income comes from hire charges for regular activities and individual events at the Community Centre. The manager reported that regular bookings are continuing, and that new bookings for events in the Spring and Summer are coming in.

# **Could You become a Trustee or a Volunteer?**

Could you spare a few hours to help your community?

We are looking for potential trustees and volunteers who would like to become involved in running Stocksfield Community Centre.

Stocksfield Community Association, which runs the Community Centre, currently has eight trustees and a number of volunteers. All play active roles in the life of the Centre, with varying levels of involvement.

We would like to recruit two or three more trustees as well as others who would prefer to help as volunteers.

If you have skills in finance, management, DIY, PR, IT, event management or social media we would particularly welcome your involvement – but would also welcome sociable people who simply like to help others.

Trustees are making a commitment to the role and would be expected to attend most of the monthly board meetings. Guidance and support will be given. Volunteers are not making the same level of commitment and would not attend board meetings.

Occasional help at events or a more regular involvement would both be welcomed.

If you are interested in becoming either a trustee or a volunteer please initially contact our manager Lisa at [admin@stocksfieldca.org.uk](mailto:admin@stocksfieldca.org.uk)

## SCATA Launches Housing Needs Survey

SCATA has commissioned arc4 (see link at end to visit the arc4 website), a leading provider of housing market analysis and assessments, to undertake a detailed housing needs survey in our part of the Tyne Valley.

The area covered includes Stocksfield, Prudhoe and all its neighbouring areas, Mickley, Hedley, Ovingham, Ovington and Wylam; over 8,000 households.

The study will not only build on the highly successful housing needs survey carried out in our village over a decade ago, Microsoft Word - Broomley and Stocksfield Housing Needs Survey -Report - November 2013 but will provide vital insights into gaps in provision, especially gaps in affordable housing to rent. Key stakeholders, including housing associations and local councils, will also be asked to contribute to the survey.

Studies like this provide vital, up to date data and perspectives that assist local authorities, and in particular their planners, in making sound decisions with regard to the need for housing development. With the exception of the previous Stocksfield study there appears to be no detailed information available for our part of the valley.

For surveys to be successful they really do need populations to respond to the questions asked, so ***please***, if you receive a survey do make a little time to complete and return it. It is only with the data that you provide that needs can be identified and sensible decisions made. Every completed survey returned contributes vital information.

SCATA is particularly grateful to Northumberland County Council's Community Housing Fund, Community Action Northumberland (CAN) and Communities CAN for their support in carrying out this survey.

Finally, a very big thank you in anticipation of your support.

## Hexham Textile and Stitch

We are a friendly group of stitchers who meet at the Torch Centre in Hexham on the second Saturday of each month, from 1.00pm-4.00pm.

We have speakers and workshops, and there is always someone willing to help you with any problems you might have.

You will be surprised at what we use in embroidery these days to get the desired effects, such as heat guns and soldering irons, but we still do the traditional stitching as well.

No experience needed, just a desire to learn.

Contact Jessie Reisner on 01661 843136 or Rosemary Newton on 01661 843163, or just come along.
